

IMPORTANT MESSAGE FOR East Orange Residents

The impact of Hurricane Sandy is expected to pose dangerous weather conditions. The City of East Orange asks residents to use caution and stay indoors as much as possible. The safety of residents is the City's first priority. Please find important information listed below to aid in handling complications that may arise.

- DO NOT touch ANY downed wires under any circumstances. To report downed wire, please call the East Orange Fire Department at 973-266-5500.
- Report downed trees to the East Orange Fire Department at 973-266-5500. NOTE: Downed trees reported on a public right-of-way will be removed as soon as winds have subsided and it is safe for workers to be in the area. A tree down on private property is the responsibility of property owner.
- The East Orange Public School District is CLOSED Monday and Tuesday October 29 & 30.
- East Orange City Hall will be closed 1:30 PM Monday, October 29, 2012 and will reopen 8:30 AM Wednesday, October 31st. However, essential Emergency Personnel will be working around the clock.
- East Orange on-street parking is suspended on snow emergency routes, towing will be enforced. Please take cars off the street to allow emergency vehicles to utilize the roadways.
- If your garbage or recycling is scheduled for collection on Tuesday, October 30, 2012, be advised that it will be collected on Wednesday, October 31, 2012.
- In Case of a power outage or should it become necessary to evacuate your home, "comfort centers" will be available as follows:
East Orange Civic Center, 1 Fellowship Circle, East Orange NJ 6:00 PM Monday, October 29—until
Essex County Codey Area, 560 Northfield Avenue, West Orange, NJ (973-731-3828)
JFK Recreation Center, 211 W. Kinney Street, Newark, NJ (973-733-5483)
